

think

like a pony

Everyone wants that perfect pony.

One who is fun, safe and a willing friend and partner in everything you do together.

To form a friendship with a horse or pony, you must first be able to see the world through their eyes. You must understand what is important to a horse, how they learn and how they establish leadership and friendship.

By using simple exercises, Think Like a Pony can help you to understand and develop a wonderful relationship with your pony based on leadership, trust and communication.
