

THE UKPA STARTER KIT DEAL

IN ASSOCIATION WITH BENNETT POLOCROSSE EQUIPMENT AND EQUINEWEB

The UK Polocrosse Association has teamed up with polocrosse equipment manufacturer Bennett and their UK agent Equineweb to offer you the opportunity to purchase starter kits of polocrosse equipment at a massively discounted price.

This offer is open to all riding schools, pony clubs, riding clubs and other interested groups, and is part of the UKPA's plan to grow the sport of polocrosse within the UK.

The UKPA can also provide interested parties with additional information on the sport and can arrange for them to have an introductory session to see whether they enjoy playing the sport. If they do then the UKPA are happy to work with interested people long term to establish polocrosse in their area.

The starter kits consist of 6 sticks, 3 balls, two sets of number bibs and a UKPA DVD on the sport of polocrosse. These kits would normally be around £600 but the UKPA is providing funding to reduce the cost on a limited number of kits to £450 a time.

This offer is open to all riding schools, pony clubs, riding clubs and other interested groups so if you think you would be interested then please call me, Iain Heaton, on 07799 360439 or email me on sportsdevelopment@ukpolocrosse.co.uk to discuss it further.

I look forwards to hearing from you soon, Kind Regards

Iain Heaton

Bennett Polocrosse Rackets

The World's Most Wanted Polocrosse Equipment

www.polocrosse.biz

equineweb.com

WHO'S WHO IN THIS OFFER?

The UK Polocrosse Association (UKPA) is the governing body of polocrosse within the UK and is dedicated to ensuring that polocrosse within the UK runs smoothly, that the UK is successful in international polocrosse competitions and to increasing awareness and participation in the sport.
www.polocrosse.org.uk

Bennett Polocrosse Equipment is the world's leading polocrosse equipment manufacturer and they are only one of two racket makers in the world who hand make their own nets. Bennett rackets are used international players around the world and the equipment has been tested under extreme conditions to ensure that it never lets its owners down.
www.polocrosse.biz

Equineweb is Bennett's UK agent and is the oldest polocrosse equipment supplier in the UK. Run by the former UKPA chairman Tony Shearing they provide their customers with quality equipment and advice.
